### **Our Live Exam Prep Class**

Includes 8 hours of non-stop, fun-filled learning. During the lecture, the instructor will cover all seven subject areas tested on the exam, with time for questions.

### **Practice Exams**

There are practice questions at the end of each chapter and hundreds of practice exam questions designed to resemble your actual test.

### **Glossary**

Real Estate terms with the definitions. Included in the textbook and online.

### **Our Exclusive Online Flashcards**

Grades always increase with flashcards. Your easy-to-study method.

### **Study Guide/Final Briefing**

Study tips, test taking ideas, what to do and not do at the exam.

### **Guarantee!**

If you fail the exam twice after taking our course twice within one year of purchase, your tuition will be refunded.
