CHARITIES

Each year the Masters Club Steering Committee carefully selects three deserving Sacramento area charities to whom they will contribute the proceeds of their Golf Tournament funds.

Asian Resources

Asian Resources, Inc. (ARI) is a nonprofit community-based organization established in 1980 dedicated to providing multiple social services needed in our community and empowering everyone we serve to become a vital part of our changing, diverse society.

Community Against Sexual Harm

CASH was created by Sacramento Police officers, women who had been in the sex-trade, professors, Oak Park residents, and a business district in response to an increase in prostitution activity and the futile cycle of arrests, re-arrests, and imprisonment. A needs assessment identified a “safe and non-judgmental” space where women could receive support, referrals, food, and access to basic care. As a result, Community Against Sexual Harm (CASH) was created in 2008.

Downtown Streets Team

The DST opportunity allows our Team Members to not only experience regaining a sense of dignity through work, but it allows them to show their commitment to keeping our streets clear of debris and hazardous needles. Together, we are committed to caring for both our housed and unhoused neighbors. Our Yellow Shirts are recognized throughout Sacramento as a Team of supportive and welcoming individuals who are ready to make strides towards real change in their lives!
