

# Sacramento Association of REALTORS®

## Building Access and Mask Policy

This policy shall become **effective July 6, 2021** and remain in effect until modified or rescinded.

All persons entering the SAR facility **must wear a properly fitted face mask** covering the nose and mouth unless exempted by one of the following three conditions:

1. Individuals that have completed their COVID vaccine protocol at least 14 days before entering.
2. Individuals that have had COVID and have tested positive for COVID antibodies.
3. Individuals with a doctor prescribed medical condition that prohibits wearing a face mask. Those persons will be required to take alternative protective measures such as wearing a face shield.

Wear a face mask is still **optional** for anyone qualifying for an exemption.

**Persons not wearing a face mask within the facility are making an affirmative assertion that they are covered by one of the above exemptions.** Such persons shall provide proof of their exemption upon request by any association staff.

Third parties holding events in the Mack Powell Event Center and not entering the SAR office building are responsible for enforcing state mandated COVID measures among their staff and attendees.
